CANTINA

ENGINEERED HARDWOOD

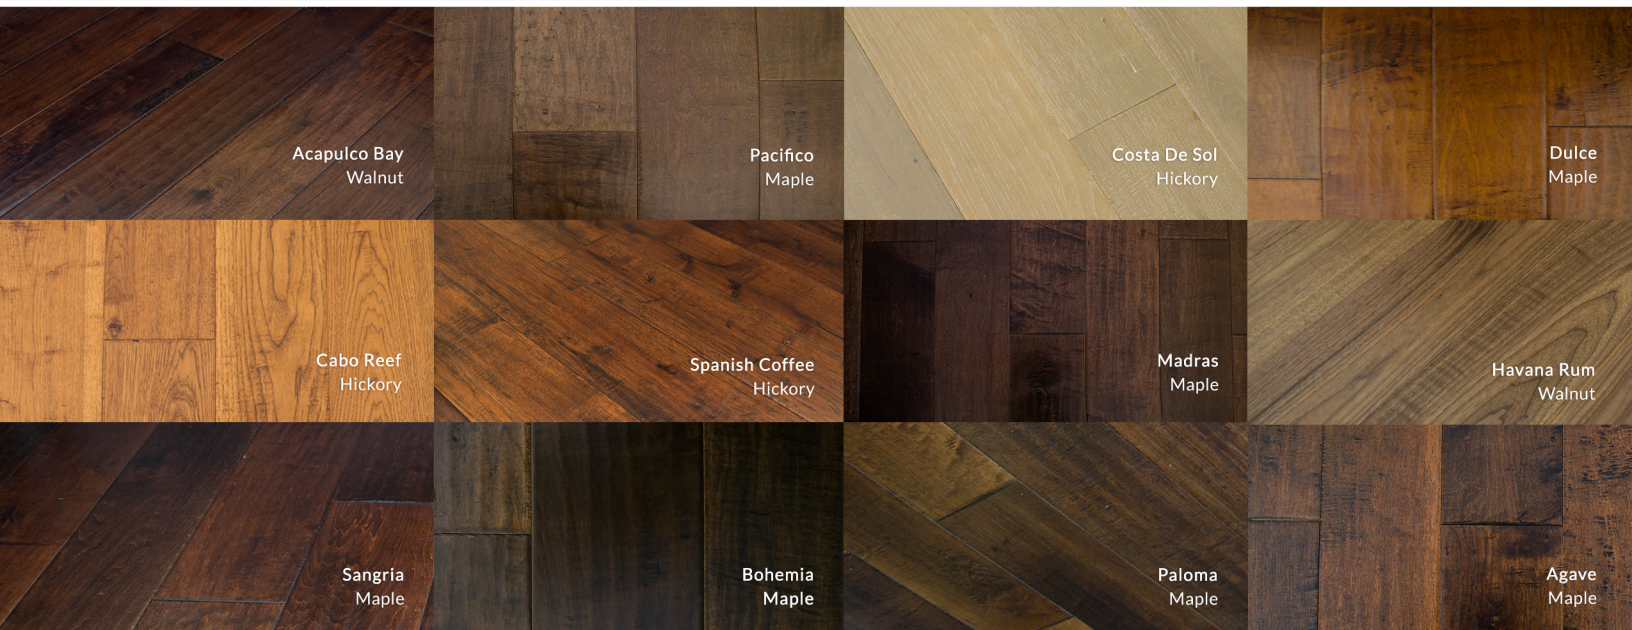

Charming as an old American tavern and bold as an Irish pub, discover the robust and beautiful Cantina collection!

Our hardwood flooring artisans use a plethora of time-tested tools and techniques to hand craft each unique plank. The rustic floorboards feature a distressed face treatment accentuated with chatter, which contributes to its lived-in look.

The hand distressed planks feature a 2.4 mm wear layer, finished with our signature 9 coats of ultra-durable urethane with aluminum oxide.

Best of all, this value-oriented flooring comes at an astonishingly low price, unheard of for luxury, wide plank flooring. With twelve magnificent colors and three species to choose from, you are guaranteed to add warm, worldly charm to your space.

NOTE: Hardwood flooring inherently contains natural variations in graining and colors in every plank. Over time the colors may evolve with exposure to sunlight.

Due to the natural variations of color and grain patterns inherent in wood, our flooring products will vary from plank to plank and may be slightly different than this sample.
