

GREEK ISLES

ENGINEERED HARDWOOD

The Greek Isles are a tapestry of time-honored traditions and thriving culture. Ruins and pristine paradise intertwine upon the landscape - an infusion to the island's unique vibrance.

All four exquisite Grecian shades feature 9.5-inch wide planks crafted from European Oak with tones ranging from bold wine to warm olive oil. Built to last the test of time, this collection features a herculean 6mm wear layer. We invite you to discover the myths of the Greek Isles.

NOTE: Hardwood flooring inherently contains natural variations in graining and colors in every plank. Over time the colors may evolve with exposure to sunlight.
