## VINEYARD

Inspired by the lush and verdant vines of the Loire Valley in France, this collection of European Oak colors will satisfy those with even the most discerning of tastes. Like a bottle of red or white wine, each color in this collection is the combination of the fruits of nature and the expertise of craft. Constructed from European Oak sourced from our best mills and crafted into wide planks up to seven feet long, with ultra-durable 3 mm wear layers and micro-beveled edges, these floors are made to last. With a light wire-brush and Urethane with Aluminum Oxide finish, these floors will impress, satisfy, and age like fine wine.

**Sample Variation Disclaimer:** The beauty of hardwood flooring lies in natural variations in color, grain, and texture inherent in all wood products. Please expect variation in all flooring and understand that although we color calibrate all of our photos, colors may appear differently on different monitors and devices and flooring will vary in hue and saturation based on differing lighting conditions. We highly recommend seeing a sample board of flooring in person before making your decision, and understanding that flooring may vary slightly from these boards. Please contact us for more information and to be connected to a sales representative who will point you in the right direction.

**Product Disclaimer:** All measurements are nominal. Wear layer refers to top layer thickness prior to treatment. Wire-brushing and/or distressing may marginally affect wear layer thickness. All boxes include starter boards.
