

ROCKINGHAM

MAPLE & HICKORY

Mohawk is pleased to announce the expansion of the Rockingham hardwood product line. Rockingham presents a wide selection of both classic and fashion-forward stains. The introduction of new popular gray and blonde tones with water-based stains in a low gloss helps minimize the appearance of scratches and gives new life to this successful assortment.

Rockingham features a rich, stylish color palette of high-end visuals that is five times more resistant to wear and tear than other finishes thanks to Mohawk's ArmorMax™ Finish Technology with EasyCare™ built-in protection, which prevents day-to-day grit and grime from building up. This technology provides both long lasting durability and ultimate clean-ability backed by a 50-year finish warranty.

Made in America, Rockingham is available in a traditional Tongue and Groove format in both solid and our Enhanced Engineered Construction™. The collection offers a beautiful, sophisticated floor that will add refined elegance to any home.

MOHAWK
