

FESTIVALLE

LAMINATE

Refreshed with four new gorgeous oak looks, Mohawk's Festivalle Collection continues to provide upscale design and enhanced style options. This 7mm traditional plank collection now features distinctive, fashion-forward visuals to add to the collection's popular assortment of oaks, cherry, walnut and maple. Random embossed designs as well as square edges and ends give these planks the authentic feel of real wood, while providing the supreme versatility, durability and performance expected from Mohawk Laminate.

MOHAWK[®]

KEY SELLING POINTS BY CUSTOMER

FOR RETAILERS

Festivalle gives retailers an incredible, realistic wood visual for superior style at an excellent value.

FOR INSTALLERS

By introducing four brand new oak visuals, Festivalle brings installers the latest styles along with the durability and versatility they need. Uniclic locking system ensures perfect, simple installation ready for immediate use—even in areas where real wood can't be used!

FOR HOMEOWNERS

Homeowners receive amazing, random-embossed designs from the Festivalle Collection with a variety of hardwood species among them. The look of premium hardwood with the durability and ease of maintenance of laminate can be achieved anywhere in the home.
