

REFINED STYLE

REVWOOD

Inspired by the strength and aged beauty of a reclaimed factory floor, Mohawk's Refined Style offers mixed finishes and wood species in multi-width visuals for striking style. Available in three colors, this collection combines high shade variation with all over texture in a matte finish for remarkably realistic hardwood visuals.

Featuring square edges and ends, the 7 1/2" x 47 1/4" x 8 mm planks utilize multi-width visuals for truly unique floors. UniClic® technology, the industry's leading glueless locking system, makes installation quick and easy and helps prevent water damage and warping. The Limited Lifetime Residential Warranty guarantees that once installed, these stunning floors will maintain their beauty.
