

ADVENTURA

HARDWOOD

Mohawk is pleased to announce the introduction of the Adventura multi-width flooring line to our hardwood product assortment. Adventura is offered in 4", 6", and 8" widths together in the same packaging and combines a soft scraped and wire brushed texture with hand beveled edges and ends to create a unique visual. Adventura features a rich, elegant color palette of high-end, exotic visuals that are sure to impress your customers. The collection provides the look of an aged floor that will add sophistication to any customers home. Adventura is available in a traditional Tongue & Groove.

The Adventura collection is available in the white oak species which adds natural visual character to the line, while the mutli-widths add a more unique feel to the floor. Combining the wire brushed and scraped texture also give a rustic elegance to the collection.
