HARDWOOD

Mohawk is pleased to announce the introduction of Antique Artisans Import to our hardwood product assortment. The collection consists of three distinct groups: Cresson, Descanso and Deltona. The hardwoods include exotic imported species, such as acacia, as well as imported hickory, oak, maple and walnut. The ½" planks come in a variety of surface textures, and each group offers a unique combination of visuals, finishes and formats, for a fashionable option to suit every taste.
