## HARDWOOD

Take a moment to slow down, relax and enjoy with the Café Society Collection, a selection of hardwoods that encourage indulgence and fashion. Inspired by the restful and sophisticated café scene in Europe, these 5" wide hardwood planks are styled with a medium wire brush and a matte surface finish on white oak. You can practically smell the coffee when looking at this palette of frothy creams, sweet caramels, bistro beiges and rich chateau browns. They embrace all the flavors consumers love in today's hardwood flooring. The ultra-low gloss of TruFinish™ gives these floors that beautiful, oil-finished visual—without all the time-consuming maintenance. TruFinish is perfect for high-traffic areas because the ultra-matte surface doesn't reflect a lot of light—and scratches, even those made by pets and foot traffic, tend to blend in with the texture of the hardwood. And with EasyCare™, built-in stain protection that prevents day-to-day grime from building up, cleanup is a breeze. Comes with a 50-year residential finish warranty and a five-year light commercial warranty. Bring the ambiance and ease of artisanal coffee house sophistication into your home with Café Society.
