

# DANVILLE

## HARDWOOD

Mohawk is pleased to announce the introduction of the Danville Oak flooring collection to our hardwood product assortment. Danville Oak is produced using our Enhanced Engineered Construction in a 3" width. With its smooth surface and rustic character, Danville Oak is designed to highlight the natural richness of the oak species that will fit any customers design taste.

The Danville Oak collection provides a beautifully blended assortment of our most popular color tones that brings out the stunning character in the oak species and exudes an unmistakable air of sophistication to any customers home.
