

NORTHFIELD

HARDWOOD

Mohawk is pleased to announce the introduction of the Northfield Longer/Wider flooring collection to our hardwood product assortment. The Northfield collection showcases the natural beauty of hardwood with ample amounts of natural character including cracks, knots, and splits included in the floor. Within Northfield, the oaks' natural character is enhanced by soft wire brushing and a beautiful color assortment, in addition to a smooth maple option, both species in longer, 7" wide planks that display the beauty of this collection. The Northfield collection provides a stunning assortment of the most popular, fashion forward gray and white tones that are on target with many of the current interior design trends. Northfield also combines Mohawk's ArmorMax™ Finish Technology with EasyCare™ built-in protection, which prevents day-to-day grit and grime from building up. This gives the customer both long lasting durability and ultimate cleanability and is backed by a 50 year finish warranty.
