## HARDWOOD

When you are looking for sanctuary, that place where you can escape everyday life, you think of home and the Pioneer Point Collection of hardwood flooring. It offers comforting style with a soft scrape and a rustic chatter on hickory with a matte surface finish. These 5" wide planks with pillowed edges bring a vintage feel to rooms made for easy living and homey introspection. A large palette of colors inspired by the Wild West give consumers a number of choices from weathered grays, to smoky beiges, to hearty browns. Ultra-low gloss TruFinish™ makes Pioneer Point perfect for high-traffic areas because the ultra-matte surface doesn't reflect a lot of light—and scratches, even those made by pets and foot traffic, tend to blend in with the texture of the hardwood. TruFinish offers the highly sought after oil-finished visual while helping to showcase and preserve every detail of this natural flooring for decades of beauty, class and performance—without all the time-consuming maintenance. And with EasyCare™, built-in stain protection that prevents day-to-day grime from building up, cleanup is a breeze. Made in the U.S.A., this collection comes with a 50-year residential finish warranty and a five-year light commercial warranty. Natural and inviting shades, easy maintenance and smooth styling make it a pleasure to come home to the Pioneer Point Collection.
