

ROCKFORD OAK

HARDWOOD

Mohawk is pleased to announce the expansion of the Rockford hardwood line. The collection offers a wide selection of both classic and fashion-forward stains, including the introduction of popular gray and blonde tones. The water-based stains in a low gloss help minimize the appearance of scratches and give new life to this successful assortment.

Rockford's fresh, stylish palette of high-end visuals comes with Mohawk's ArmorMax™ Finish Technology with EasyCare™ built-in protection, preventing day-to-day grit and grime from building up and making the hardwood five times more resistant to wear and tear than with other finishes. Customers will appreciate Rockford's long lasting durability and ultimate cleanability, backed by a 50-year finish warranty.

The collection is made in America and is available in a traditional Tongue and Groove format in both solid and Enhanced Engineered Construction™. Rockford delivers a chic, sophisticated floor that will add refined elegance to any home.
